## Company Overview

Guardian Six Healthcare Solutions LLC is a Service-Disabled Veteran-Owned Small Business specializing in customized medical staffing and healthcare readiness solutions. Founded and led by a retired U.S. Army Reserve Brigadier General and Registered Nurse, Guardian Six integrates decades of military, civilian, clinical, and emergency preparedness experience to deliver trusted staffing and operational support to federal, state, and local partners.

## Core Competencies

- Medical Staffing – Temporary, long-term, and permanent placement of physicians, nurses, advanced practice providers, allied health professionals, and medical administrators.
- Emergency Coverage – Rapid response staffing for surge, disaster, and continuity of operations needs.
- Credentialing Services – Full-service provider credentialing and compliance with NCQA and TJC standards.
- Veteran-Focused Recruiting – Dedicated efforts to hire, mentor, and place veteran medical professionals.
- Public Health Preparedness – All-hazard planning, staffing augmentation, and exercise design support for local and state public health agencies.
- Military & Federal Support – Staff augmentation and program support for Military Treatment Facilities and government health programs.

## Differentiators

- Military-Grounded Leadership – Led by a Brigadier General with over 40 years in healthcare operations, strategic planning, and emergency management.
- Mission-Ready Talent Network – Access to a pre-vetted pool of healthcare professionals with federal experience.
- Rapid Deployment Capabilities – Scalable, nationwide support for short-notice or high-impact assignments.
- Compliance Expertise – Credentialing and operational procedures aligned with federal, state, and healthcare regulatory standards.
- SDVOSB Advantage – Prime or teaming partner for government contractors seeking to meet small business and veteran-owned business goals.

## Past Performance

- Defense Health Agency (Medical Q-Code Support – NG) - Subcontractor to Optum Serve with a \$200M current pipeline
